

OFFICE VISIT POLICY COVID-19

In general, if you are not feeling well and have flu-like symptoms, please call to reschedule. If you are coughing, we need to clarify the cause- is it asthma, allergy, or unknown?

Quick reference:

In case of Covid-19/Flu Like Symptoms/Covid-19 Exposure (non-urgent visits)

We will request to have you get tested for COVID-19:

- If the test is negative and no symptoms - ok to see as scheduled
- If you are exposed to Covid-19 but do not want to get tested, we will reschedule at least 2-week out
- If the test is negative but has flu-like symptoms (wait until no symptoms/ reschedule)
- If the test is positive* and no symptoms - wait 5 days from the positive test/reschedule
- If the test is positive* and has symptoms - wait 5 days from the testing day (light to moderate); 10 days (severe and temperature), make sure no symptoms when returning, and schedule out further if still showing symptoms

*Patients are requested to wear a mask up to 10 days from the exposure/positive COVID-19.
